

GAMM Juniors Mentoring Program

The *GAMM Juniors* are a group of aspiring, highly motivated young researchers in the fields of mathematics and mechanics, selected on the basis of academic merit. The Mentoring Program aims at helping *GAMM Juniors* in their personal and academic growth through low-key exchanges with established members of the mathematics and mechanics community.

As a mentor, you...

...are available upon contact from the mentee

...cooperate with ideas and suggestions from the mentee (e.g. topic, framework) and have the final decision on the mentoring topics

As a mentee, you...

...are responsible to initiate the meetings (e.g. time, date, setting)

...suggest topics for the meetings

Programme Outline

Official Start: January 2023

Duration: 1 year
(e.g., quarterly meetings, upon agreement)

Evaluation: December 2023
