

Pre-GAMM - Onboarding young researchers

Feeling lost in (online) conference? Not understanding much during keynotes?

As the GAMM Juniors, we want to help you onboard the GAMM annual meeting by providing scientific introductory lectures and a soft-skill seminar (virtual events). More information, links and registration at: <https://gamm202021.de/index.php/gamm-juniors>

Scientific Onboarding

March 8th 16:30 – 17:15 **Prof. Laurette Tuckerman**
Introductory Lecture to
Exotic patterns of Faraday waves

March 8th 17:15 – 18:00 **Prof. Dr.-Ing. Holger Steeb**
Introductory Lecture to
Modelling Porous Media: From Images to Numerical Simulations

March 9th 16:30 – 17:15 **Dr. C. Etmann, S. Mukherjee**
Introductory Lecture to
Data driven variational models for solving inverse problems

March 9th 17:15 – 18:00 **Prof. Josef Málek**
Introductory Lecture to
Beyond the Navier-Stokes equations

March 11th 17:15 – 18:00 **Prof. Dr.-Ing. Jörn Mosler**
Introduction to the modeling of material interfaces

How to conference? Soft-skill seminar

March 15th 10:00 – 11:00 *Discussion and Q&A*

Registration required!

<https://www.gamm-juniors.de/>

Dr.-Ing. Johanna Eisenträger
Prof. Dr. Dietmar Gallistl,
Prof. Dr.-Ing. Marc-Andre Keip
Dr. Marita Thomas

Spread the word!
